

# Company Overview

Smart1 Management Solutions, LLC (Smart1), an 8(a)-certified minority, economically disadvantaged woman-owned small business, is dedicated to excellence. We value diversity and employ a diverse group of professionals throughout the United States, integrating these values into our approach to developing solutions. Our dynamic delivery of program/project management, business and financial management, and analysis expertise is designed to streamline, integrate, and implement program management, business management, and financial processes and services. By using the best industry practices, the latest systems, and processes, we ensure that our strategies and solutions are not only practical but also efficient.

**SMART1 Management Solutions**

## Program And Project Management

Smart1 specializes in providing strategic oversight and managing multi-faceted, complex programs that result in our client's success. We have proven systems, processes, and tools that provide real-time information that leads to compliance, cost-effectiveness, and the timely execution of program initiatives. Our approach is based on consensus building, risk analysis, attention to detail, and industry best practices

## Grants and Acquisitions Management

Smart1 is a premier provider of grants and acquisition management services, specializing in delivering comprehensive solutions to federal, state, and local government agencies, as well as private sector clients. Our expertise spans the entire lifecycle of grants and acquisitions, ensuring efficient, compliant, and effective management of resources

## Leadership Development and Technical Training

Smart1's distinctive suite of Leadership Development Training services assures the application of industry standards by a team of subject matter experts fluent in all aspects of Leadership Development Training to sustain agencies in meeting their strategic goals
