

Company Overview

Smart1 Management Solutions, LLC (Smart1), an 8(a)-certified minority, economically disadvantaged woman-owned small business, is dedicated to excellence. We value diversity and employ a diverse group of professionals throughout the United States, integrating these values into our approach to developing solutions. Our dynamic delivery of program/project management, grants, acquisitions and financial management, and analysis expertise is designed to streamline, integrate, and implement program management, business management, and financial processes and services. By using the best industry practices, the latest systems, and processes, we ensure that our strategies and solutions are not only practical but also efficient.

SMART1 Management Solutions

Program And Project Management

Smart1 specializes in providing strategic oversight and managing multi-faceted, complex programs that result in our client's success. We have proven systems, and processes that provide real-time information that leads to compliance, cost-effectiveness, and the timely execution of program initiatives. Our approach focuses on consensus building, risk analysis, attention to detail, and industry best practices. Smart1 is an intentional organization that offers comprehensive business administration and management services. We focus on optimizing business operations, enhancing efficiency, and fostering growth for diverse clients. By leveraging advanced technologies and industry best practices, Smart1 aims to deliver tailored solutions that meet each business's unique needs.
